Course Description

Master English as a Second Language and Secure Your A/A* with Personalized 1-on-1 Mentorship (Kru Kung / Kru Bird)

Maximize your examination performance and conquer the ESL IGCSE syllabus with complete confidence in just 30 hours! This premium, private 1-on-1 live online course is systematically structured to elevate students' language proficiency and exam-taking strategies. Guided by our top-tier English specialists, Kru Kung and Kru Bird, students will receive comprehensive, rigorous training tailored entirely to their academic gaps.

Key Highlights:

Full-Course Dedicated Mentorship: Each course is fully conducted by a single dedicated tutor from start to finish, ensuring a consistent learning curve, continuous tracking of individual progress, and precise targeted feedback.

Ultimate Customization Policy: We offer unparalleled flexibility to suit parental preferences. While each tutor runs their own comprehensive curriculum, parents can specifically request a shared-module structure allowing students to learn different components (such as Reading/Writing vs. Listening/Speaking) from both experts based on the student's unique needs.

Exam-Targeted Skills: Complete mastery of all 4 key assessment objectives. Master core exam tactics including rapid Skimming & Scanning for reading comprehension, and acquire high-scoring writing templates for descriptive essays, articles, and reviews that fulfill the strict IGCSE Cambridge standards.
