Course Description

Fast-Track Your High School Equivalency: Pass the GED Math Exam with Elite 1-on-1 Mentorship (Kru Jom / Kru Nay / Kru Jack)

Accelerate your path to higher education with our comprehensive 20-Hour Private GED Math Intensive course. This highly focused, private 1-on-1 live online program on jointedu.net is meticulously structured to help students conquer the GED Mathematical Reasoning test with confidence. Guided by our premier mathematics specialists Kru Jom, Kru Nay, and Kru Jack this course bridges foundational math gaps and arms students with essential exam-taking mechanics.

Key Highlights:

Top-Tier Math Specialists: Each student will learn live with a dedicated mathematics expert from start to finish. While our instructors fully conduct their own comprehensive courses, parents enjoy the absolute flexibility to specifically request module sharing or select the tutor that best matches the student's learning style.

TI-30XS Calculator & Screen Interface Hacks: Master the exam tools. We provide step-by-step training on how to efficiently navigate the official on-screen TI-30XS calculator, teaching algebraic shortcuts and arithmetic formulas that save crucial seconds during the actual test.

Deciphering Complex Word Problems: Eliminate the language barrier in mathematics. Our curriculum trains students to rapidly interpret descriptive English word problems, isolate key data points, and translate verbal scenarios into precise mathematical operations effortlessly.
